### Elsie Talks Some Good Sound Sense

Berkeley, Cal., Oct. 19.—Student circles were thrown into an uproar today when the practice of barring men students from the field where women students, clad in gym suits, hold their athletic events was scored by Miss Elsie McCormick in an editorial appearing in Student Opinion, a university weekly publication.

"Prudery is the step sister of modesty, who hides her face behind her hands and then peeks through her fingers," declares Miss McCormick. "Referring to the woman student who is too modest to be seen in a gym suit, Miss McCormick wrote:

"She doesn't mind being seen in an Annette Keller man bathing suit, or a trouble-left cord costume, or even a modern lawn gown, but a gym suit— heaven forbid!"

### Edison Will Get His Favorite Desert

San Francisco, Oct. 19.—When Thomas A. Edison sits down tonight with 400 telegraphers at a banquet in his honor given by the operators, he is due for a surprise. When the ice cream begins to arrive with the cake "trimmings," Edison will find himself ignored. He won't even get a "small black."

But the electrical wizard will survive the shock, for the chef at the Commercial club will provide a special out of hot apple pie and a big tumbler of creamy milk, Edison's favorite desert.

### THREE MORE ESCAPES

Washington, Oct. 19.—Three more officers from the German converted cruiser Prinz Eitel Friedrich have escaped according to a message this afternoon from Rear Admiral Beatty, commanding of the Norfolk navy yard. The Eitel Friedrich and the German converted cruiser Kronprinz Wilhelm are both interned at Norfolk.

### CELEBRATE ALASKA DAY

### THE MARKETS

Pork is higher today and the quotations in the Portland market rather indicate that hereafter the prices paid on the coast will be more in proportion to eastern quotations.

Farmers seem to be winning on the wheat market, as the demand is gradually forcing the price up. Although there are no changes on the local market, yet the market has a general upward tendency.

Valley flour is now retailing for from \$1.30 to \$1.34 a sack and both kinds of flour take due for another advance next week.

Fry will in future sell Mi-o-na under a positive guarantee to refund the money if it should not prove entirely satisfactory. No other dyspepsia medicine ever had a large enough percentage of cures so that it could be sold in this manner. A guarantee like this speaks volumes for the merit of the remedy.

There is no time like the present to do a thing that ought to be done. If any one has dyspepsia, today is the best time to begin curing it.

### THE STATE NOT RESPONSIBLE

Olympia, Wash., Oct. 19.—One of the most peculiar claims for compensation yet presented to the industrial insurance commission is that of Axel Arwick, working for a railroad at Port Angeles, who narrates, in his report to the commission today that while asleep in a second story bunkhouse, he dreamed that the house was on fire, plunged out of the window in his sleep and landed below with a broken leg. Arwick attributes his dream to the fact that the room was filled with smoke from the forest fires.

Holding that the state cannot be held responsible for the ill effect of somnambulistic adventures, the commission has rejected the claim.

### ITALIAN FLEET ON WAY.

Rome, Oct. 19.—The Italian fleet was reported today already steaming to help the allies in the blockade of the Turkish and Bulgarian coasts of the Aegean, to cover the landing of the allies at Enos, and perhaps to bombard Dedeagatch, near Enos.

In many quarters it was believed Italy will dispatch an expedition to invade Bulgaria.

### HE CANNOT EXPLAIN IT.

Central, Wash., Oct. 19.—The bullet with which he intended to end his life, today sealed the lips of John Manburg, who it is believed lives in Seattle. Manburg put a pistol in his mouth late yesterday afternoon in the rear of a wool yard and inflicted a wound which prevented his explaining today why he attempted his life. He cannot recover.

### HAD MEDAL FOR BRAVERY

Everett, Wash., Oct. 19.—A medal for bravery was found today pinned underneath the lapel of Thomas Steetland, former private in the United States army whose body was found floating in the Snohomish river. He was a railway employe. How he met death is unknown.

### UNCLE SAM WANTS LUMBER

Tacoma, Wash., Oct. 20.—Local lumber mills are given an opportunity today to submit bids to supply 7,780,000 feet of Douglas fir for the use of the government in Panama canal work, including everything from fine ceiling to large dimension stock. Delivery is asked at Colon between January 1 and March 1, 1916.

Sealed bids for the lumber wanted will be opened November 5.

### ARE STILL SQUEAKY.

Corvallis, Or., Oct. 19.—With some of the creak and protest still left in their joints from the sound beating administered by W. S. C. last Saturday, the Oregon Aggies turned out today to begin preparation for the game they are to play with the Michigan Aggies at Lansing, October 30. The team will leave here next Saturday night and en route to Michigan will engage in practice jousts with the University of Nebraska at Lincoln and the University of Chicago in the windy city.

Coch Stewart was driving his car hard in an endeavor to bring out the best in the players, and incidentally to put a little stiffening in their spines, most of it having been taken out by the Washington Staters.

It has not yet been decided what players will make the eastern trip, which will be the longest a coast team has ever taken, but 18 are sure to go.

### LARRY STOMACH JOY IN YOUR VEST POCKET

Daniel J. Fry Has Such Faith In This Dyspepsia Remedy That He Guarantees It.

One of the greatest successes in the sale of medicine has been achieved by Mi-o-na, the standard dyspepsia remedy, and its sale is increasing so rapidly that Daniel J. Fry, the popular druggist, has had work to keep a stock on hand. It is very popular with bankers, ministers, lawyers and others where business or profession keeps them closely confined, while those who have brought on indigestion through irregular eating, worry, or other causes, have found relief in this reliable remedy.

Mi-o-na comes in tablet form and is sold in a metal box especially designed for convenience in carrying the medicine in the pocket or purse. It is pleasant to take, gives quick relief and should help any case, no matter how long a standing. This remedy has been so uniformly successful that Daniel J. Fry will in future sell Mi-o-na under a positive guarantee to refund the money if it should not prove entirely satisfactory. No other dyspepsia medicine ever had a large enough percentage of cures so that it could be sold in this manner. A guarantee like this speaks volumes for the merit of the remedy.

There is no time like the present to do a thing that ought to be done. If any one has dyspepsia, today is the best time to begin curing it.
